Scripture writing plan & journal

*the anchored mama*

Hey friend! I'm so glad you've downloaded this scripture & prayer journal. For most of my life, scripture wasn't personal to me. I read it but never knew how to live and apply it. Then I found my love for writing the Word and journaling. In this practice, scripture truly came alive for me and it has become a deep desire for me to share with others how they can grow in God's Word so it can come alive for them, too. Are you ready to dig deeper? I pray this will be a jumpstart to your relationship with Jesus. Join me on the journey, friend. I promise it will be so beautiful and well worth it.

With Love,

Shandyn
